

To, All MYA Midland District Skippers.

Notice of MYA Midland District EGM.

Following last years Midland District AGM at Manor Park we had a committee that basically consisted of Chris Harris, who undertook all the major roles.

Since then Chris has stood down which has unfortunately left the district with no formal committee. Should this situation arise it was intended that the district trustees act as the committee. So, they have recently been consulting a few of the past MD officers to get a district EGM constituted.

The trustees have used their powers to co-opt the following people into post as an interim committee and oversee the district business until a new formal committee is elected which is the main business of the EGM.

<u>Committee position.</u>	<u>Co-opted committee.</u>
Chairman	Mr Vic Bellerson (Bournville) MD trustee, Mr Mike Harris (Bournville) MD trustee.
MD Councillor	Mr Bill Green (Bournville)
MD Secretary	Mr Colin Walton (Manor Park)
MD Racing Secretary	Mr Colin Walton (Manor Park)
Website development	Mr Gordon Sears (Market Bosworth)
Senior Measurer	Mr Mike Ewart (Two Islands)

As this situation need to be completed with some urgency it is intended that we do the EGM business by email through your club secretary. You will be able to follow this process through the <https://midlanddistrictmya.wordpress.com/category/district-news/> section of the MD website and your secretary.

MD Trustee.
