

2021 MYA MD AGM Webmaster report.

The MYA Midland District website remains the main communication tool for our skippers whilst direct email to the club secretaries is dealing with the district business.

So earlier this year we focused on the return to sailing at our clubs and the preparation required around the Covid regulations, I have to say that appears to have gone well in so much as all our clubs are now sailing on a regular basis.

Later in the season our district has been hosting open events and these have used the website to publish the NOR's and there have been reports and results from them. Looking at the website statistics it shows that there is a wide interest in what is happening as the number of visitors on the following couple of days has been as high as 300+

Another development this year has been the creation of a Midland District YouTube playlist on the MYA YouTube channel, so far there are a couple of videos up showing the facilities of Market Bosworth RYC & Bournville RS&MBC, and if you would like your club featured on the channel, get in touch and we can chat over the process. There are also a couple of Midland District events up as well. Thanks also to Austin (MYA DCO) for helping set up the playlist and giving me access to posting up videos.

Talking of which along with contributions from Don Charlesworth I have created several videos of this years Marblehead National at Manor Park RSC and these are also posted to the YouTube channel under a separate tile for this event. Hopefully we will have more like this in the future.

Last year I also asked if someone would help with posting information to the Midland District website, and Paul Barton offered to help and he was co-opted, so thanks for that Paul.

As before if you would like to send details of your event or have an interesting sailing related article, please get in contact.

Talking of contacting the District webmaster we have a dedicated email address mya.md.webmaster@gmail.com. Please use this for all things to do with district communication.

Midland District Committee.

I am happy to stand again in the position of MD webmaster for 2022.

I was also a District Trustee for 2021 and as the current committee has been active in all district rolls, I have not had to act as the Trustee during the year.

Gordon Sears.
MYA MD webmaster.
