Midland District Secretary.

To All MD Club Secretaries, and members.

Some of you will already know that Graham Allen is standing down as our district secretary to concentrate on his position of Racing Secretary on the MYA council. He has done a fantastic job in association with other club members in the district in raising our profile within the MYA.

We have a modern well regarded and used district web site and good interclub communication now that the majority have access to the internet.

The role of the district secretary is to liaise with the clubs, collate the district calendar, and organise the district AGM.

On the publicity side most of the district stuff for the web site is filtered through the secretary and posted up by a small team who have access to edit the site.

The role does not require a lot of time for most of the year, but it tends to pick up between October and December when we work on dates for the following year and the district AGM.

We are thus looking for someone with internet access to stand for election to the post and is willing to work as part of the midland team.

There is plenty of support in the district to help with any questions that may arise and if you would like to put your name forward, please contact me to discuss the position.

Regards,

Gordon Sears.

Midland District Councillor.
