

## **Bart's Bash 14<sup>th</sup>/15<sup>th</sup> September 2019**

This year the MYA proposed that they would include the now annual fund raiser "Bart's Bash" in support of the Andrew Simpson Foundation and the work it does to get young and disadvantaged people involved in sailing with the value and life skills it brings.

This event fell over the weekend 14<sup>th</sup>/15<sup>th</sup> September with MYA Districts given free reign on what they wished to do.

As this coincided with the 2019 MYA Scottish District IOM Wooden Championship where we have a good cross section of the district sailing, it was decided that we would have a collection from all those attending.

I'm glad to say competitors stepped up to this and managed to raise a grand total of £62.60 over the course of a blustery but dry day.

These monies will be forwarded to the Andrew Simpson Foundation as part of the Scottish District's support of this worthy cause.

Thank you to all that contributed
