Dinghy Show

This Years RYA Suzuki Dinghy Show MYA stand was on H8 our usual spot directly opporsit the Zhik clothing stand and the Laser stand. We were located on the main corridor coming into the west hall and by the main cross way in front of the stage an ideal location. This year Datchet Sailing club wanted to be next to us as it was noticed that we tend to be busy!!

This year we had 2 new pop up to display with the current logo. In additional we had small circular stickers and the "Get Started" leaflet to hand out.

Keep an eye out as all the remaining stickers leaflets will be distributed out at a number of events.

The new pop up will be going up to the first ranking for the IOM at Castle Semple. In simple terms our stand has progressed over the past couple of years with more joined up thinking, all literature is showing a consistent approach-this should now work for a number of years before we need to revamp.

The use of the MYA, videos and radio sailing is giving the desired effect, with visitors accepting radio sailing as another discipline within sailing. The DF65 was used to great effect as the entry level class which showed a reasonable and available entry in to the sport and seemed to be of interest to those who saw it. The video and slide shows were non stop and attracted those walking past

Thanks to those who helped out on the stand, Derek Priestley, Graham Bantock, Peter and Judith Baldwin, Darin Ballington, John and Alex Smith together with our Chairman all worked hard to deliver and demonstrate the sport of Radio Sailing to the many visitors to our stand.

New and former affiliated members were in attendance together with a number of new dinghy sailing clubs showing interest in starring a radio sailing class at their club

IOM Worlds

Ten Rater
Nationals
10-11 July
At Fleetwood
MY&PBC

The IOM world championships were held at Pierrette France which started Friday 12th and finished on Saturday 20th May 2017. Our team finishing positions were
3rd Rob Walsh, 5th Peter Stollery, 13th Martin Roberts, 14th Josh king, 15th Darin Ballington, 16th Tony Edwards, 18th Graham Bantock, 43rd Ken Binks, 52nd Nigel Brown & 62nd John Cleave. 7 of our 10 team members finished in the top 20 is high achievement well done all

This event is also being live streamed out to youtube via a number of social media platforms. The production team and set up is very professional with presenters commenting on the event in every race. Also included in the commentary is a competitor from one of the fleets not sailing
