

MYA Guidance on Covid-19 on 17.03.2020

The MYA guidance on Covid-19 follows advice from the UK government.

The Prime Minister has advised against non-essential travel for the next 12 weeks and from the end of this week those with underlying health issues and the over 70's should be shielded.

It is therefore clear that all MYA events for at least the next 12 weeks must be either cancelled or postponed and the MYA urge all its Clubs and Classes to follow suit.

The situation will be kept under review so that our programme of events can recommence when it is safe to do so.

MYA events that are now definitely cancelled or postponed are:-

28/29 March IOM Veterans Cup @ Lincoln RSC

4/5 April IOM Ranking @ Datchet RSC

11/12 April Vane 36 Nationals @ Bournville RS&PBC

18 April Marblehead Ranking @ Norwich MYC

19 April 10R Ranking @ Norwich MYC

2 May Radio A veterans Championship @ Rotherham MYC

9/10 May 10R Ranking @ Datchet RSC

23/24 May Marblehead Ranking @ Fleetwood MY&PBC

Thank you to all for your support at this time.
